

Public Participation Event – December 13th 2022

Feedback Questionnaire

This questionnaire is provided to gather feedback from attendees of the Public Participation Event and any other respondents during this period of public consultation. We thank you for spending the time completing it.

To ensure we can take full account of your input, please return this questionnaire to a member of the project team.

If responding after the event, please see details at end of this questionnaire.

1. Have you been affected by flooding? Which of the following best describes you? Please tick.

Resident	<input type="checkbox"/>
Business Owner	<input type="checkbox"/>
Representative of a local group (please specify)	<input type="checkbox"/>
Other (please specify)	<input type="checkbox"/>

2. How have you been affected by flooding and when?

3. Which locations in the scheme area are of most interest to you?

4. The scheme proposes to implement a multi-functional measure at **Glenavon Park** which incorporates flood storage, improved amenity landscaping, footpaths, cycleways and potential habitat development.

Do you have any observations about the proposal?	
What landscape features would you like to see in this area?	

5. The objective of the proposed flood defence walls at **Killiney Hill Road** is protecting the neighbouring properties during extreme flood events while minimising the environmental impact to the local vegetation and wildlife.

What are your comments and observations about this measure?

--

Deansgrange Stream Flood Relief Scheme

6. The proposed overflow culvert on the seafield Culvert which will be installed beneath the DART railway line will improve the system's ability to convey flow to the shore, alleviating flood risk to the pedestrian alleyway, **Seafield and Bayview Estates**. Do you have any observations about the proposal?

7. Do you have any other comments on the flood relief scheme which you feel the project team need to consider?

8. Contact details for the project team are at the end of this questionnaire. Let us know how you would like us to keep you informed about the project as it develops?

- Email Post
 Website Phone
 Social Media (Facebook)
 Other (please describe)

9. How did you hear about today?

10. Getting in contact with you again could be very useful to the project team for the following reasons.

1. Notifying you of future consultation opportunities
2. Clarifying information you have already provided to the project team and obtaining further inputs
3. Discussing future works and options

By providing your contact details in the box below, you will need to understand and agree to the following:

Your details will be collected by JBA Consulting Engineers and Scientists Ltd, JB Barry and Partners JV on behalf of Dún Laoghaire Rathdown County Council to aid the development of the flood relief scheme for Deansgrange.

The details will only be used JBA Consulting Engineers and Scientists Limited, JB Barry and Partners JV and /or dlr County Council for the purposes of contacting you in relation to the scheme, which may include some or all the items numbered 1 to 3 above.

Your details will be processed in compliance with the EU General Data Protection Regulation (GDPR)

Your details will be securely kept on file for the duration of the project and will be securely deleted on completion of the Project.

Your details will not be shared with any party other than Dún Laoghaire Rathdown County Council and OPW.

Should you wish to opt out at any time, please let us know by **post or email**. Our contact details are on the next page.
