

Deansgrange Stream Flood Relief Scheme

Public Engagement Event

Virtual Event from October 5th
at www.deansgrangefrs.ie

We invite residents, businesses and interested parties to attend the Virtual Public Engagement Event for the Deansgrange Flood Relief Scheme.

Due to current Covid-19 restrictions, our public engagement event will be held online.

We will update you on the progress to date and how you can take part in the scheme development.

We would like to hear about your **experiences of flooding in the past** and we are interested in you sharing with us your **photos/videos of previous flooding**.

You can log in the project website www.deansgrangefrs.ie from the 5th of October to view the presentation and visuals made available and provide feedback to the project team.

You can contact the team members at www.deansgrangefrs.ie or by email at info@deansgrangefrs.ie

You can find out more about the project at www.deansgrangefrs.ie
